

TELECOMMUNICATION AND BUILDING ACCESS LICENSE
EXISTING CONDOMINIUM COMPLEX

This license ("License") is made as of the date last signed by both parties below (the "**Effective Date**").

In consideration of the mutual rights and obligations herein expressed and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and Cambridge Court West Condominium Association (the "**Syndicate**") agree as follows:

1. Syndicate hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the *Canada Business Corporations Act*, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "**Bell**") at no cost or charge to Bell, a non-exclusive right and license to:
 - i. enter on and gain access in, over or under the individual residential units (the "**Units**") within the condominium complex ("**Complex**") described in Schedule "A" (the "**Complex**") and the common elements and other common areas of the Complex,, including without limitation, access to and use of, one or more rooms or other segregated spaces in, on, over or under the Complex, in particular the underground garage of the Complex (the "**Equipment Space(s)**") for the purposes of: (a) making available and providing telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "**Bell Services**") to prospective purchasers and the owners, tenants, invitees or residents of the Units within the Complex (collectively, the "**Occupant(s)**"); and (b) exercising non exclusive marketing and advertising rights in accordance with the terms and conditions of the Marketing Agreement – Existing Condominium Complex dated March 9, 2012 (the "**Marketing Agreement**");
 - ii. use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment in, on, over or under the Complex. "**Equipment**" includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit), which is necessary and incidental to enable, deliver and demonstrate Bell Services to Occupants. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Complex to the exclusion of any other third parties.

2. Syndicate acknowledges that Bell shall also have access to a path and/or conduit along, over, under or on the property, from the property line to the Complex (the "**Conduit**"), and in or through the Equipment Space(s). If Bell determines that a fibre optic cable or Equipment must be installed to the Conduit, the Complex and/or the Equipment Space(s), Bell may install, maintain, and upgrade any Equipment within the Conduit. The parties shall agree in advance (both acting reasonably) upon a plan of installation, upgrade or maintenance of the Equipment within the Conduit.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Syndicate or its agent of its intention to enter the Complex for the purposes of this License.
4. The parties shall meet the installation requirements for the equipment to be installed by Bell (the "**Bell Equipment**") as such requirements are more specifically set forth in Schedule "B" hereto. Bell shall, at its own cost: (i) ensure that all the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct damages to the Complex or the Equipment Space where such damages are caused by or arising out of any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Complex (the "**Covenant**"). The Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Syndicate agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary.
5. Nothing in this License limits the Syndicate's right to repair any common elements of the Complex, in particular, the underground garage; provided that where any such repair may affect the Bell Equipment, the Syndicate shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move
