

TELECOMMUNICATION AND BUILDING ACCESS LICENSE - NEW BUILDINGS

This License is made as of the date last signed by both parties below (the "Effective Date").

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and Spadina Bloor Developments Limited (the "Owner") agree as follows:

1. Owner hereby grants to Bell Canada and the affiliates of BCE Inc. (as defined in the *Canada Business Corporations Act*, as amended) (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to (i) enter on and gain access in, over or under the multi-unit dwelling building to be constructed by the Owner as described in Schedule "A" (the "Building") and the common elements and other common areas of the Building, (ii) use, as permitted by the CRTC from time to time, in-building wire or cabling owned or controlled by Bell, the Owner or any third party, and (iii) make available and provide telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "Bell Services") to local exchange carriers, prospective purchasers and the owners, tenants, invitees or residents of the Building (the "Occupant(s)"). Nothing in this License shall be construed or interpreted as granting Bell any exclusive rights or privileges in or to the Building, relating to access or installation rights, to the exclusion of any other third parties.
2. The right and license in Section 1 includes Bell's right to construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace its Equipment (as defined below) in the Building. "Equipment" includes but is not limited to any Bell equipment, in-building wire (as defined by the CRTC in Decision 99-10), infrastructure or otherwise, which is necessary and incidental to enable and deliver Bell Services to Occupants. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new or different equipment to provision the Bell Services. Equipment excludes: conduit, individual receiver - decoders, whether VDSL or otherwise, or any other equipment that can be individually addressed either electronically or manually by Bell (each an "IRD"), which will be sold or rented to Occupants by Bell or any other authorized sales agent. Owner shall allow Bell to gain access to the Building for the purpose of picking up any IRD no longer required by an Occupant.
3. Bell and those for whom it is responsible for in law shall be permitted to use and access all portions of the Building necessary for the provision of Bell Services and for the matters as provided in Section 1 in accordance with the Declaration, By-Laws and Rules of the Owner. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal business hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License.
4. The term of this License is effective as of the Effective Date and shall continue to run for a period often (10) years from the Effective Date (the "Term"). Subject to the provisions of the *Condominium Act, 1998*, as amended, upon registration of a condominium plan in respect of the Building (the "Corporation") prior to the expiry of the Term, the Owner shall, upon such registration, cause the Corporation to assume and be bound by all the rights and obligations of the Owner as set out herein.
5. Bell shall, at its own cost (i) ensure that all Equipment is installed in accordance with all relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Equipment installed by Bell during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) relating to post-installation activities specific to such Occupant's in-suite requirements. Except as otherwise provided in Section 22 of the *Condominium Act, 1998*, the Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Equipment nor any of the items reasonably contemplated by Section 2 above and shall not make any claim to the contrary.
6. Owner agrees to provide to Bell, at no charge to Bell, non-exclusive access to and use of, space in one or more rooms or other segregated, enclosed spaces in the Building (the "Equipment Space(s)"), as needed and mutually agreed upon by the parties, acting in good faith, which is suitable to house or store the Equipment. Owner agrees that the access rights herein include a right to access the Equipment Space in the Building. The Equipment Space shall have adequate power supply and adequate natural or artificial ventilation for the proper operation of the Equipment. Nothing in this License limits the Owner's right to repair any common elements of the Building; provided that where any such repair may affect Bell's Equipment, the Owner shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move its Equipment before the repairs are made; and (ii) reimburse Bell for all reasonable costs Bell incurs as a result of any material relocation or adjustment.
7. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License; and (4) no condominium rule or by-law is in force that would prevent or limit Bell from entering into this License. Bell further covenants to repair, at its sole expense, any damage to the Building or the Equipment Space where the damage is caused by Bell and those for whom it is responsible in law.
8. Despite anything contained herein to the contrary, Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any negligent act or omission relating to Bell Canada's use and occupation of the Equipment Space or the Building, provided that Bell

Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by any negligent or willful act or omission of any of the Owner Indemnitees. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss or profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. This Section shall survive the expiration or termination of this License.

Unless a Party provides the other party hereto with written notice of its intention not to renew this License at least one hundred and eighty (180) days prior to the expiration of the Term or Renewal Term (as defined below), this License shall automatically renew for successive one (1) year renewal terms (the "Renewal Term") on the terms and conditions herein. Either Party may terminate this License: i) for a material breach hereof, where such breach is not cured within thirty (30) days of receipt of written notice by the other party of such breach, or ii) immediately, in the event of bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. Upon expiry or termination of this License, Bell shall be allowed thirty (30) days to remove the Equipment.

If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in a economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to Owner.
