Our strategy

Our goal is to be recognized by customers as Canada's leading communications company. Our primary business objective is to maximize subscribers, revenues, operating profit, free cash flow and return on invested capital by further enhancing our position as a foremost provider of comprehensive and innovative communications services to residential and business customers.

Our strategy is centred on our disciplined focus and execution of 6 strategic imperatives:

1. Accelerate wireless
2. Leverage wireline momentum
3. Expand media leadership
4. Invest in broadband networks and services
5. Achieve a competitive cost structure
6. Improve customer service

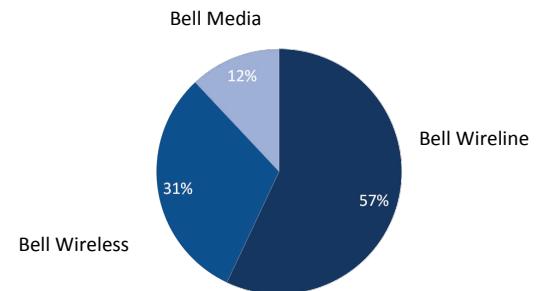

Footnotes

(1) Net earnings attributable to common shareholders before severance, acquisition and other costs, net (gains) losses on investments and early debt redemption costs per BCE Inc. common share.
(2) Free cash flow is before BCE common share dividends and voluntary pension contributions. As of November 1, 2014, BCE's free cash flow includes 100% of Bell Aliant's free cash flow rather than cash dividends received from Bell Aliant. We define free cash flow as cash flows from operating activities, excluding acquisition costs paid and voluntary pension funding, less capital expenditures, preferred share dividends and dividends paid by subsidiaries to NCI.

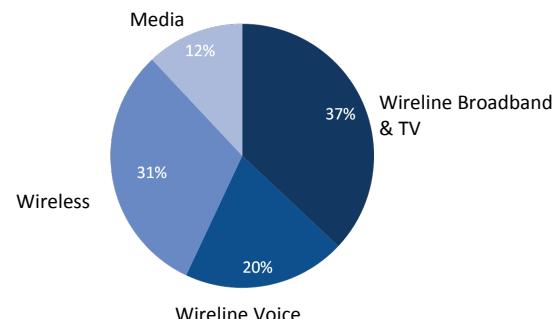

* Non-GAAP Financial Measures

Adjusted EBITDA, adjusted earnings per share and free cash flow do not have any standardized meaning according to IFRS. Please refer to BCE Inc.'s 2015 First Quarter MD&A dated April 29, 2015 for more details.
